

Johann Fust Library Foundation Health and Safety Policy

We are eager to welcome you back for a safe and memorable experience during our 2022 literary events.

We understand the concerns you may have as you consider attending events presented by the Library Foundation, and we want you to feel confident and comfortable.

For Events Held in the Library Loggia and Courtyard, the Power House at Boca Bay, and the Gasparilla Inn.

In all cordoned-off seating areas of Johann Fust Library Foundation space, face coverings that cover the nose and mouth and comply with CDC guidelines must be worn at all times. This includes during the show, except while eating and drinking,

This specifically refers to the seating areas in the courtyard and the loggia. It does not refer to library spaces, nor does it refer to walkways.

We request that audience members be fully vaccinated or that they have received a negative Covid test within the previous 72 hours. We will rely upon voluntary compliance for this requirement, and therefore you will not be requested to show proof of either upon entry.

Our goal is to provide a healthy environment for all speakers and attendees. We plan to offer recordings of most events and hope to develop the capability for live streaming for our programs. More information about this will be forthcoming.

This policy may be adjusted as conditions change.
